To Whom It May Concern:

I am writing you in support of McKenzie Farnsworth. I write letters of recommendation for students who I feel are highly motivated and passionate about their future education and career. Therefore, I feel Ms. Farnsworth is one of those students. She is dedicated to her future success.

Each year I get the opportunity to mentor a high school student who would like to pursue a career in the educational field. I first met Ms. Farnsworth in the fall of 2011. She was full of contagious energy and eagerness to work with the first grade students in my classroom. I was immediately impressed with her incredible work ethic. Ms. Farnsworth is required to visit my classroom three times a week for a total of six hours. Ms. Farnsworth goes above and beyond as she visits our class an extra day every week. Her devotion stems from her evident strengths: responsibility, consistency, and her desire to gain more knowledgeable experience.

Ms. Farnsworth has the incredible ability to balance her school and her extracurricular activities. It is obvious that she dedicates an abundance of her time to our classroom; however, she also spends a lot of her time working in child care at her church, participating in BHS women's varsity gymnastics, and being heavily involved at Cross Timbers Church.

Ms. Farnsworth continues to impress me with her knowledge, skill, and dedication to her work. I'm sure you will find her to be a persistent student whose talents will only shine further through her educational career. It is my hope that you will accept her admission to your university. Feel free to contact me if you require further information.

Sincerely,
